- Start after 5 pm and you may play 9-holes only.
 - The adult pays \$20, kid is still FREE!

We believe in the fun and safe experience while playing on a golf course through childhood. Golf is truly a game of a lifetime. It has as its foundation, responsibility, self-esteem and accomplishment that will last forever.

We enjoy creating memories for families to cherish for a lifetime! Enjoy the game of golf and all the positive emotional and health related qualities that golf brings to families of all types.

Help make a memory for a kid by playing golf this year at Spirit Hollow.
