They took their best 18 hole score combined with the best score of the two players they drew to make a TEAM SCORE. For instance, Player A drew Jack and Arnie. Player A scored 76, Jack shot 65 and Arnie shot 66. The team score would be $76+65=141$. All ties were broken by carding backwards starting on #18, of the am's score. All prizes are in the form of gift certificates from the Spirit Hollow Golf Shop.
